Greece

Located in Zante, Nefis Travel is the way to go for boat trips, excursions, private cruises and private/VIP tours. Their expert guides will reveal the island's hidden treasures and top sites – such as Shipwreck Bay, the Blue Caves and Turtle Island – away from the crowds. Free transfers are available from most resorts, and they have a flexible booking system to take the pandemic and the relaxed nature of your holiday into account. Set up in 2008 by Jackie Boots Gklava, her deep passion and wealth of experience in Greek culture, theatre, music and mythology add a distinctive depth to exploring this wonderful part of Greece.

The judges were impressed by the passion and affection Jackie and her team of knowledgeable guides have for the area and its culture, creating unique experiences that offer something quite intimate and special. As the groups are small or completely private, they are able to avoid the crowds and gain access to smaller, secluded spots that the larger groups miss out on. All staff have performed the required pandemic safety checks with reassuring diligence and friendly professionalism. Their relaxed and flexible approach, whether it is on the fully insured buses and boats or out rambling and engaging with the locals, set this experience aside from the usual rigid tourist group excursions.
