I went on the ‘Back to the Roots’ tour and it was the first time, in my 14 years of going to the island, I have seen something different. There are such a range of interesting sites such as small Greek villages and the birdseye perspective of the shipwreck. Jackie was a great tour guide, she has so many interesting stories about Zakynthian history and Greek mythology and she can speak several languages meaning anyone is welcome. I would really recommend this trip, and recommend Nefis Travel!

“Back to the roots.”

This trip honestly made our holiday. Jackie was amazing, the quaint villages, meeting the locals and experiencing the true Zakynthos was such a highlight to our already wonderful holiday. Lunch at Kampi, well talk about Jackie booking the best seats! Breathtaking views, wonderful folk music, and delicious food. Thankyou again for such a fantastic day!

“perfect day”

We went on the ‘Back to the Roots’ trip on the 2nd september. We have been to Zante 8 times in 15 years, but Jackie told us so many things that we had never heard before. The coach is comfortable and could take us to so many places you would never be able to see on a large coach. The whole day was a wonderful experience Jackie is so informative and really made you feel welcome. The highlight of the trip was the lunch at Kampi amazing views, reserved tables and the singing was magical, the memory will keep us going through the long English winter. If you only do one trip in Zante make it with Nefis travel, you won’t regret it, we are returning next year and hope to do another trip, hopefully with some more amazing stories and singing from Jackie.
